# Come Sail Away!

## Discovery Bay Yacht Club Open Day

**Saturday, 25<sup>th</sup> March, 2023 | 10am – 4pm**

**DBYC would like to invite newcomers to spend time on board and gain an introduction to big boat sailing. Experienced sailors also welcome.**

Discovery Bay Yacht Club is a sailing and social club that brings together yacht owners and sailors to enjoy regattas, cruises and races. The Club has been in operation since 1999, and its aims are twofold: to draw local sailors together in friendly and social sailing events, and to introduce beginners to the fun of sailing and racing yachts.

We do not have premises or professional instructors, yet DBYC has introduced many to sailing who have gone on to own their own boats. By participating in DBYC races, new and experienced sailors can hone their boat handling and sail trimming skills. Join us on March 25<sup>th</sup> to learn more!

**Registration closes  
1800hrs on 21<sup>st</sup> March**

**Basic sail training  
offered by experienced  
DB sailors on privately  
owned yachts**

**Places limited to 20

**Make new friends and

Yacht Club!**
